Tech-Innovation Club

The Tech-Innovation club is a student driven community of technology admirers who come together to share knowledge, collaborate on projects, and explore new innovations in the tech industry. This club provides a platform for students to connect with like-minded individuals who share their interests and passions. The main focus of the club is to get students on board for technical skill improvement through various kinds of programs.

Club activities help students:

1. To conduct contests and events.
2. To conduct guest lectures from industry professionals, peers and alumni.
3. Arrange theoretical and practical Workshops on emerging trends.
4. Encourage and guide students to build mini projects for micro and small-scale.
5. Arrange full-fledged corporate exposure

Structure of Club:

1. Faculty – Coordinator/Mentor Ms Deepshikha Rai
2. Student – President Mohit Raj
3. Student – Vice President Rochit, and Rubina
4. Student – Members: Sourav Singh, Harshita Bhatt, Dolly, Divya Gupta, Shruti Gupta
