Introduction

CodeVita - the global coding contest by TCS is now in its 6th year. The CodeVita journey began in 2012 with the aim of promoting *Programming-As-A-Sport*, and has touched many milestones since then. In 2014 was the first time we opened the contest globally and last year we had registrations from 40 plus nations. Its popularity with the student community peaked last year when we saw 2,61,000 plus registrations and also secured a place in the Limca Book of Records.

Hope you too had great fun participating in previous seasons of CodeVita. With season 6 we are looking at it getting better, more challenging and super exciting.

Purpose of the Contest

- Provides a platform to students to practice and enhance their programming skills.

Structure of the Contest

This season CodeVita is an **individual contest**. Unlike the other seasons it will not be a team contest. The contest will comprise of several rounds of coding. To participate in CodeVita, one needs to register on the Campus Commune portal.

There will be 3 main rounds to the contest.

Round 1: there will be various regional/zonal rounds. This will be conducted in 3 phases between Jul – Aug 2017, across India. We will map the student to the region/zone based on the location of their college. Details of zonal mapping and the exact time-lines will be communicated subsequently.

6) Accept Terms and Conditions and Click on Register

By entering the contest, each participant/ contestant confirms and agrees to the following terms and conditions:

- The participant/ contestant thereof acknowledges that the solution submitted will be an original work created solely by him/her, and that the solution does not infringe on copyrights, trademarks, moral rights, rights of privacy/publicity or intellectual property rights of any person or entity, and that no other party has any right, title, claim, or interest in the solution.
