Mission of Department

1. Provide quality education in the field of computer science and engineering through experienced and qualified faculty members.
2. Motivate learners for higher studies and research oriented activities by utilizing resources of Centres of Excellence.
3. Inculcate societal values, professional ethics, team work, and leadership qualities by having exposure at National and International level activities.

From HOD's Desk

Dr. Dilkeshwar Pandey, HOD-CSE

The Department of Computer Science and Engineering has recorded consistent improvement in its academic, research and placement performance, to meet the changing requirement of the Industry. The course curriculum is taught by distinguished Faculty combining academic excellence and real world experience with dedication and commitment. This e-Newsletter is one of the way in which we can disseminate information about the Department. The Newsletter covering various activities by the students and faculty in academic, co-curricular, extra-curricular as well as research & developments. I would like to thank Editorial Board for e-Newsletter and all my colleagues for their tireless efforts to help the department progress at a very steady pace. With this brief introduction, I welcome you all to be a part of our journey towards excellence in education, training and research.

From Editor's Desk...

Prof. Archana Sharma—Editor

The Editorial Board is glad to release this issue of e-Newsletter of Department of Computer Science and Engineering. This serves as a window to the readers, to know about the continuity of growth and progress of Department in terms of adding feathers in the cap by winning Awards at National Level competitions and shows glimpses of Workshops, Guest lectures, Industrial Exposure, Excellent Training and Placements, Cultural Events, Outstanding Results etc. The Editorial Board would like to make special mention of the tremendous support and guidance of our Advisor - Dr. Vipin Garg, Director – Prof.(Dr). Bhavesh Kumar Chauhan, Head of the Department – Prof. (Dr.) Dilkeshwar Pandey, this work would not have come up, without their valuable advice and everlasting inspiration. We would also like to thank Management and all CSE Department family members for their kind support. We hope you will enjoy reading this Issue of the e-NEWSLETTER. We welcome your feedback on any aspect of the newsletter.
