

## Department of Information Technology

### IT TECHNICAL CLUB

## PREAMBLE

We, the members of IT Technical club fully realize our purpose, by establishing a technical club which will help the students to develop their skills and problem-solving capability and creating a feeling of competition among them. The clubs will focus on enhancing the personality development and technical innovativeness of the students of IT department by organizing the workshops and different quiz/competitions.

The club activities will be organized *by the students for the students*.

## AGENDA

The IT Technical Club aims for the following and is responsible for:-

- Promoting and encouraging student leadership within the IT department.
- Collection of funds and the disbursement of student activity/event funds.
- Recommending and approving the conduction of events.
- Planning and coordinating events and to encourage students to participate in events.
- Encouraging the students to participate at National level Tech-Fest and other technical events all around nation.
- To provide a platform where the students can put their innovative efforts into real time projects.
