Department of Computer Science & Engineering

Project Detail (Session 2018-19)

S.No.	University Roll No	Student Name	Project Title	Project Supervisor	Project Outcome
1	1529010095	Pratibha Jha	Smart Mirror	Ms. Kajol Mittal	Human will see daily Notifications without opening any device
	1529010093	Prashant Jha			
	1529010082	Mufeed Khan			
2	1529010012	Akshay Sahdev	Crop Trade App	Mr. Raghvendra P Singh	This app will inform about the latest price of crop at different locations
	1529010006	Abhishek Sharma			
	1529010043	Ashish Verma			
3	1529010054	Divyansh Chaudhary	Hand in Hand	Mr. Raghvendra P Singh	Authority will get location of garbage/waste with the involvement to local people through pic
	1529010039	Arpit Dixit			
	1573910007	Alfaiz Hussain			
4	1529010005	Abhishek Lohit	Voice based Email System for Blind People	Ms. Monika Sehrawat	Blind people will be able to write and send messages without typing anything
	1529010019	Amardeep Rana			
	1529010025	Ankit Kumar			
5	1529010027	Ankit Choudhary	Accident Detection App	Ms. Archana Sharma	Authority will get information of accident and location without going there.

	1529010144	Sumit Kumar Singh			
	1529010061	Kapil Sharma			
6	1573910012	Ayush Gupta	My Destination	Ms. Archana Sharma	This reminder system will help user about work and place through alarm
	1573910032	Priyansh Dixit			
	1573910009	Amit Kumar			
7	1529010090	Prakhar Bhardwaj	Quick Cart(E com application)	Mr. Ashish Chakraverti	E-commerce will me more handy with this application
	1529010100	Rahul Jain			
	1529010070	Kushal Rajpoot			
8	1529010114	Sahil Tyagi	Online Portal	Mr. Ashish Chakraverti	This app will be used to share data between different users
9	1529010135	Sweta Tyagi	SmartPlant	Mr. Ashutosh Pandey	This is inform about the climatic conditions around the plant
	1529010150	Vanshika Garg			
	1529010125	Shaurya Rana			
10	1529010139	Somya Garg	Smart Attendance with Image Recognition	Mr. Ashutosh Pandey	Attendance will be marked through physical presence
	1529010002	Abhinav Mishra			
	1529010007	Aditya Kumar			
11	1529010081	Monika Singh Patel	Heart Disease Prediction	Dr. Dilkeshwar Pandey	This will read different parameters and will predict Heart problem
	1529010067	Komal Bhatt			
	1529010078	Mohit Pathak			

12	1573910037	Ritik Jain	Sentiment Analysis	Dr. Dilkeshwar Pandey	This will tell about the user sentiments using written document
	1573910038	Sahiba			
	1573910017	Harshit Gupta			
13	1529010099	Puneet	Digitalization the National Highway	Ms. Monica Rani	This application will give useful information to the user while moving through the highway
	1529010153	Vidya Sagar			
	1529010160	Yogesh Singh			
14	1529010055	GAURAV RAJPOOT	Chatbot	Ms. Monica Rani	Price comparison of different things form different websites
	1529010052	Dilip Raj			
	1529010040	Arul Srivastav			
15	1529010058	Himanshu Chaddha	Price forcast system for (vegetables/fruits/grains)	Mr. Sanjeev Kumar	Pricing of the crop can be predicted and decided
	1529010056	Harish Kumar			
	1529010102	Rajan Kumar Singh			
16	1573910024	Keshav	Network Infrastructure for organization	Dr. Avinash Dwivedi	This application will help in managing big network
	1573910011	Aryan Seth			
17	1573910040	Saurabh Goyal	Visitor Management & Security System	Dr. Avinash Dwivedi	This application will help in keeping visitor data with high level of security
	1573910055	Yash Sharma			
	1573910014	Gaurav Prajapati			
18	1529010014	Aman Agrawal	Rakshak		

	Roll No.	Name	Project	Guide	Description
	1529010033	Anubhav		Mr. Sanjeev Kumar	This application is related with women security and will inform police and relative about the position and danger
19	1529010031	Anoop Kumar	Voice Recognition	Mr. Gaurav Agarwal	This will recognize person based upon the voice
	1529010133	Shubham Goswami			
20	1529010117	Sapna Yadav	Home Automation System using voice recognition	Ms. Akanksha Gangwar	This app will help to automate home appliances
	1529010115	Samridhi			
21	1529010123	Shashank Sharma	Identification of Accident Prone Spots	Dr. Rizwan Khan	Authority will be able to know accident prone areas
	1529010129	Shivangi Singh			
	1529010151	Vartika Sharma			
22	1529010097	Priyanshu Srivastava	Allevi-Commerce	Dr. Rizwan Khan	E- Commerce site with security
	1529010096	Priyanka Kaushal			
	1529010085	Nitanshi Madan			
23	1529010021	Amrender Singh	Traffiction	Dr. Rizwan Khan	This will help user to find the shortest or suitable path to destination.
	1529010018	Aman Vashistha			
24	1529010071	Lawkesh Patel	Automatic Music Generation	Dr. Rizwan Khan	This app will generate music based upon the user mood
	1529010066	Nidhi Singh			
25	1529010113	Sahil Singh			

	1529010094	Prashant Sharma	Music Mood Recognition	Mr. Gaurav Agarwal	This will determine the user mood and will play music accordingly
	1529010087	Parichay Agarwal			
26	1529010091	Pranjal Kumar Mani	Smart Car Parking	Dr. Avinash Dwivedi	This application will help user to search parking place in optimized way
	1529010131	Shivanshu Garg			
27	1529010035	Anurag Sharma	SIM	Ms. Monika Shehrawat	This system will keep data of students and will give appropriate information.
	1529010023	Anamika Tripathi			
	1529010084	Nikhil Gupta			
28	1529010073	Mayank Dagar	Interview Management System	Dr. Dilkeshwar Pandey	To will help in managing interview activity
	1529010028	Ankit Pal			
29	1529010030	Ankit Verma	Brain Tumor Detection using ML	Ms. Monica Rani	This will help in detecting Brain tumor
	1529010026	Ankit Kumar			
30	1529010010	Akash Dutt	Online Monitoring System for State Schools	Mr. Avinash Kumar Sharma	This will track the status and other information of state schools
	1529010013	Aman Negi			
31	1529010032	Anshuman Chauhan	Easy,Efficient & Integrated Billing System	Ms. Swati Singh	This will fast the billing/payment system of any mart
	1529010046	Ayushi Singh			
32	1529010152	Vidit Sharma	Mapping of Open Dumping Area Using GIS	Ms. Garima	This application will help to detect open garbage domped area and will help to keep city clean
	1529010155	Vishal Saxena			

33	1529010059	Kajal	Bug Tracking System	Mr. Ashish Chakraverti	This will help in detecting bugs in any the application or source code
	1529010050	Charu			
	1529010060	Kajal Singhal			
34	1529010091	Anushka Singh	Adament To Save Lives	Mr. Avinash Kumar Sharma	This social application will stops to upload indecent picture on a website
	1529010151	Bhavya Srivastava			
35	1529010075	Md. Adil	Phishing Website Detection	Mr. Avinash Kumar Sharma	User will able to know whether the current sire is Phishing or genuine
	1529010065	Manika Bhutani			
36	1529010130	Shivani Kumar	Bug Tracking System	Ms. Monika Shehrawat	This will help in detecting bugs in any the application or source code
	1529010154	Vineet			
37	1529010089	Piyush Dua	Facial Expression based Musical Player	Ms. Jaya Shukla	It will play music based upon the facial expression of the user
	1529010092	Prashant Dubey			
	1529010105	Rakshit Kumar			
38	1529010136	Siddhant Mishra	Workforce Accumulation System	Ms. Jaya Shukla	This will help user to get work force nearby to his/her location for any type of task
	1529010051	Deeksha Nanda			
	1529010142	Sumit Kumar			
39	1529010110	Ruchi Sharma	Online test conduction using Face Detection	Ms. Jaya Shukla	This application will recognize face and raise alarm during online test conduction.
	1529010107	Ritu Singh			
40	1529010116	Sandhya Chauhan	Faculty Feedback System	Ms. Akanksha Gangwar	This application will manage feedback of faculty members
	1529010141	Sudhir Pal			

41	1529010003	Abhishek Chand Pandey	Twitter Sentiment Analysis	Mr. Gaurav Aggarwal	This application will inform about the sentiments of people on an specific issue
	1529010011	Akshay Gupta			
42	1529010079	Mohit Prakash	Smart Parking System Using IOT	Mr. Pavan Sharma	Searching and optimization of parking places
	1529010121	Shailesh Yadav			
	1529010044	Ashutosh Singh			
43	1529010134	Shubham Tomar	Blood Bank Management System	Ms. Monali Mavani	This app will help needy people to know about the location of nearest blood bank and group available
	1529010109	Rohit s. Remella			
	1529010140	Sourav Tomar			
44	1529010098	Pulkit Singh	Facial Recognition using open cv	Ms. Monali Mavani	This application will help to recognize a person
	1529010101	Raj Singh			
	1529010104	Rajat Srivastava			
45	1529010149	Udit Jain	Student Management & Attendance System	Mr. Pavan Sharma	Recognition of students using fingerprint detection
	1629010901	Syed Saif Irfan			
	1529010156	Vishal Singh			
46	1529010157	Vishwas Mishra	Military Robot	Ms. Nitya Upadhyay	Robot will be able to race
	1529010148	Tejas Dutt Sharma			
47	1529010132	Shivashish Nithani	Detection of Diabetic Retinopathy using CNN (Convolutional Neural Network	Mr. Sanjeev Kumar	Application inform about the disease sugar reading Retina of user
	1529010126	Shivam Bharadwaj			

	1429010042	Dhiraj Kumar			
48	1529010103	Rajat Chaudhary	Frams	Ms. Nitya Upadhyay	This system will help to take student attendance
	1529010108	Rohit Pratap			
49	1529010057	Himanshu Bansal	Portal For Child Care Institutions	Mr. Upender Tiwari	Authority will keep record of ongoing cases related to children's registered at different institutions
	1529010062	Kartik Choudhary			
	1529010072	Manish Kumar			
50	1529000066	Soumya Tripathi	Price Comparison E-com website with Chatbot	Mr. Upender Tiwari	This will compare prices of goods from different websites.
	1529010159	Yash Shrivastava			
	1529010158	Vivek Kumar Yadav			
51	1529010053	Dimple Mehta	A Corporate Chat Room	Ms. Nitya Upadhyay	This application will be useful for corporate meetings
	1529010068	Kunal Goswami			
	1529010037	Aparna Sharma			
52	1573910031	Priyanka Goel	Grab Lab	Ms. Nupur Gupta	This will help to get information about different labs available
	1573910008	Aman Roy			
	1573910013	Azharuddin			
53	1579310030	Nikhil Jha	Face Payment System	Mr. Pavan Sharma	This application will store different important credentials and help in payment after facial reading
	1573910053	Vikas Tiwari			
	1573910033	Priyanshu			

54	1529010145	Tanish	Restrofun	Ms. Ankita Dixit	User will be able to order food online with various options
	1529010138	Simran Choudhary			
	1529010127	Shivam Choudhary			
55	1529010124	Shashank Singh	Personal Health care Companion	Ms. Swati Goel	This will help in sharing medical reports and doctor will study case history
	1529010128	Shinvam Shilani			
	1529010147	Tarun Gupta			
56	1529010120	Shad Khan	Data Analyser	Ms. Tanushree	This application will help to find the pattern of data
	1529010122	Shakti Singh			
	1529010119	Saurav Kumar			
57	1529010064	Khushi Prasad	An Automatic driver drowsiness alert system using GSM and Raspberry Pi	Ms. Tanushree	Using sensors app will calculate health condition and drowsiness of driver and activate alarm
	1529010076	MOHD Sajid Ali			
58	1529010063	Kartik Garg	Online Test Portal	Mr. Raghvendra Pratap Singh	This will facilitate candidate to give exam from remote location with security
	1529010069	Kushagra Rastogi			
59	1529010080	Moksh Vats	Car Parking	Mr. Ashutosh Pandey	It will help in managing parking place
	1529010086	Paras Tripathi			
	1529010083	Mukul Shankar			
60	1529010041	Arun Chaudhary	Presence Detector		

	1529010008	Ajay Kumar Sonkar		Ms. Akanksha Gangwar	This will inform whether the desired object/ person is present or not
61	1529010049	Bhuvnesh Kumar	Application to AID blind Person	Dr. Avinash Dwivedi	This application will help blind persons in computer use
	1529010034	Anuj Kumar			
62	1529010029	Ankit Sharma	Weather Forecasting System	Mr. Upender Tiwari	User will able to know about the user
	1529010077	Md Yasir			
63	1529010024	Ankit Chauhan	Criminal Management System	Ms. Aishwarya Gupta	This will keep record of crime, criminal and case status
	1529010001	Aamir Khan			
	1529010020	Amit Singh			
64	1509210004	Rohit Singh	E-Parking Using RFID	Ms. Monali Mavani	This parking will automate the parking place
	1509210003	Rohit Kumar			
65	1509210001	Abhishek Singh Yadav	Mediplus	Ms. Garima	This application will help user in online medicine purchasing
	1429010001	Rajiv Verma			
66	1529010106	Rashmi Pathak	Dashboard creation using Tableau	Ms. Tanushree	This application will help to manage Dashboard
	1529010146	Tanya Jain			
67	1529010038	Arijit Madan	E-Governance app via online and offline server	Mr. K. B Dubey	This will CSC the concept of E-Governance in both the condition on line and offline
	1529010045	Ayush Sharma			
68	1529010016	Aman Raj	E-Governance app via online and offline server	Mr. K. B Dubey	This will CSC the concept of E-Governance in both the condition on line and offline
	1529010009	Akanksha			

	1529010022	Anamika			
69	1429010122	Shivangi Johri	Design of Banking Security System using RFID technology	Ms. Swati Singh	This system will provide security to bank lockers through RFID
	1529010005	Vivek Yadav			
70	1529010112	Sahil Chaudhary	Administration System using PHP	Ms. Swati Singh	This app will help for monitoring any office
	1529010111	Sachin Tyagi			
	1529010137	Siddharth Dhaiya			
71	1529010073	Mannu Kumari	Home Maker Support System	Ms. Archana Sharma	House wife may be able to get work from home without going any where
	1529010074	Meghna Sharma			
	1529010088	Parul
