Smart India Hackathon 2023

All students are hereby informed that the Government of India has declared the Smart India Hackathon, 2023. It is a nonstop digital product development competition in which problems are addressed to technology students for innovative solutions.

Important points for participation

- Team leader would form a team of 6 including **at least one female member as mandatory.**
- All team members should be from same college; **no inter-college teams are allowed.** However, **members from different branches of the same Institute are encouraged to form a team.**
- The teams can come up with their ideas against the problem statements and submit them to the SPOC.
- The nominated teams have to participate in the recommended Internal Hackathon.
- **Internal Hackathon** (college level) for teams that have submitted ideas will be held on 22 - 23 September 2023.
- SPOC will nominate **A Total top 30 teams (additionally 5 waiting teams), selected from the Internal Hackathon to participate in SIH-2023.**
- **Prize money** to be awarded to each winning team is **Rs. 100000/- per problem statement.**
