## OUR MENTORS

## *The Message From Director Desk*

*Dear All,*

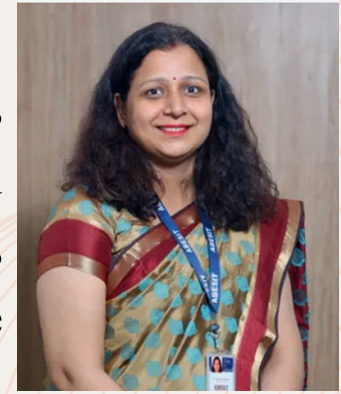

It is with great pleasure that we welcome you to the dynamic and vibrant community of ABESIT, where we are committed to fostering an environment that encourages growth, innovation, and the pursuit of excellence in all the aspect of education and personal development. I am delighted to welcome you to the Department of Computer Science & Engineering (CSE) at ABES Institute of Technology, Ghaziabad. Since its inception in 2007, the department has grown from an initial intake of 60 to 300 students, focusing on equipping young minds with technical skills and ethical values. The department also promotes research and innovation through projects, technical competitions, and internships with reputed organizations. Students from the CSE branch have secured placements in top multinational companies and have made notable contributions to research and entrepreneurial ventures. I appreciate your belief in us and look forward to achieving all-around success with your cooperation.

***Prof. (Dr.) M.K. Jha***

## *The Message From Dean of Academics Desk*

*Dear All,*

ABESIT Group of Institutions is committed to academic excellence and holistic development, shaping students into skilled professionals and responsible citizens.

Our NBA-accredited Computer Science & Engineering and Information Technology programs uphold high educational standards, fostering technical expertise and ethical values. Achievements in initiatives like the Smart India Hackathon and placements in top MNCs highlight our students' success. The CSE department's magazine reflects the innovative ideas and accomplishments of our students. We offer ample opportunities for personal and professional growth through workshops, seminars, and skill development programs. Our students are equipped to thrive in the competitive corporate world, thanks to a balanced focus on academics and soft skills. Parents' trust and support motivate us to provide the best educational experience. We ensure students are well-prepared for dynamic challenges in the ever-evolving tech landscape. Together, we aim to achieve new milestones and make a lasting impact on society.

***Prof. (Dr.) Upasana Pandey***

## *The Message From HoD's Desk*

*Dear All,*

I am extremely happy to introduce and welcome you to the Department of Computer Science & Engineering (CSE) at ABES Institute of Technology, Ghaziabad. The Computer Science and Engineering undergraduate program, established in 2007, aims to foster both technical expertise and ethical values in students, preparing them to contribute significantly to the nation's progress in computer science. The curriculum covers essential areas such as Artificial Intelligence, Machine Learning, Data Science, and Advanced Database Systems, while also enhancing soft skills, communication, and critical thinking. By integrating hands-on industrial training with academic learning, the program ensures students are well-prepared for the challenges of the IT industry. Our graduates have successfully secured positions in leading IT firms. Best wishes to all for a successful academic journey! .

***Prof.(Dr.)Hoshiyar Singh Kanyal***

## *Editorial Board*

*Greetings from the Editorial Board,*

It is our privilege to present this magazine, a platform showcasing the creativity, innovation, and achievements of our ABESIT community. Through this publication, we aim to highlight the academic excellence, cultural vibrance, and collaborative spirit that define our institution. We encourage all students and faculty to continue sharing their ideas, stories, and accomplishments, making this magazine a true reflection of our collective journey.

Happy reading, and best wishes for continued success!

# ABESIT

Group Of Institutions

**DEPARTMENT OF COMPUTER  
SCIENCE AND ENGINEERING**

## DEPARTMENT'S VISION AND MISSION

# Introduction to Department

*The Department of Computer Science and Engineering (CSE) at ABES Institute of Technology (ABESIT) is renowned for its excellence in education and research in computer science. With a dedicated faculty, state-of-the-art infrastructure, and a comprehensive curriculum, ABESIT CSE provides a holistic education that combines theory and practical skills. Their experienced faculty and industry professionals guide students through their academic journey, emphasizing research, internships, and industry partnerships. The department fosters innovation and entrepreneurship, equipping graduates with technical expertise, critical thinking, and problem-solving skills, preparing them for meaningful contributions in the rapidly evolving field of computer science and engineering.*

## Missions

- Provide quality education in the field of computer science and engineering through experienced and qualified faculty members.
- Motivate learners for higher studies and research-oriented activities by utilizing resources of Centers of Excellence.
- Inculcate societal values, professional ethics, team work, and leadership qualities by having exposure at National and International level activities.

## Vision

- To provide excellence by imparting knowledge to the learners enabling them to become skilled professionals to be recognized as a responsible citizen.

## Programme Educational Outcomes (PEO)

**PEO1:** Graduates are prepared to use various information technology tools to solve real life problems.

**PEO2:** Graduates are prepared to utilize their learning and innovative skills to sustain in technological environment

**PEO3:** Graduates are prepared to work as an individual, member or leader in diverse teams to perform in multidisciplinary domains.

## Programme Specific Outcomes (PSO)

**PSO-1:** Solve complex problems using data structures and other advanced suitable algorithms.

**PSO-2:** Interpret fundamental concepts of computer systems and understand its hardware and software aspect.

**PSO-3:** Analyze the constraints of the existing data base management systems and get experience on large-scale analytical methods in the evolving technologies.

**PSO-4:** Develop intelligent systems and implement solutions to cater the business specific requirements.

## Program Outcomes (PO)

PO1	<i>Engineering Knowledge</i>
PO2	<i>Problem Analysis</i>
PO3	<i>Design/development of solutions</i>
PO4	<i>Conduct Investigations of complex problems</i>
PO5	<i>Modern tool usage</i>
PO6	<i>The Engineer and Society</i>
PO7	<i>Environment and sustainability</i>
PO8	<i>Ethics</i>
PO9	<i>Individual and team work</i>
PO10	<i>Communication</i>
PO11	<i>Project management and finance</i>
PO12	<i>Life-long learning</i>

## **RUBIX CLUB (TECHNICAL CLUB)**

# Rubix Club Structure

- 1. Top Leadership:** The structure is led by the Director, followed by the Dean of Student Welfare and the HOD.
- 2. Faculty Link:** The Faculty Coordinator bridges the administrative leadership and the student committee.
- 3. Student Roles:** Key student roles include President, Vice President, Secretary, Treasurer, Public Relations, and Volunteers.
- 4. Organized Workflow:** Responsibilities flow smoothly from top to bottom, ensuring efficient collaboration and execution.

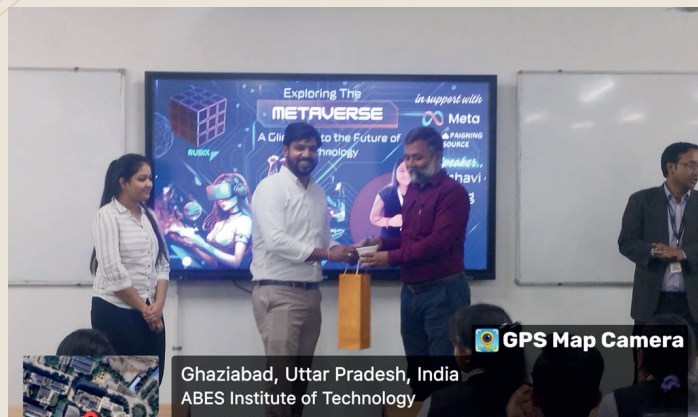

# Metaverse Technology Event

*Dive into the future of technology with Rubix Club, the dynamic technical club of our department. In collaboration with IIC-ABESIT! we organised an event titled "Creators of Metaverse: Exploring the Metaverse with AR" on November 24, 2023.*

*The event led by the visionary Chhavi Garg, attendees were immersed in a captivating workshop, unraveling the mysteries of **Augmented Reality (AR)** and **Virtual Reality (VR)**. With over 200 enthusiastic students registered and in attendance, the workshop resonated with our community, igniting a passion for emerging technologies. This initiative, in **partnership with 1MIB and AICTE**, underscores our dedication to nurturing innovation and staying at the forefront of technological advancements.*

## Some Glimpses Of Metaverse

# Session On Advanced Data Structures

**Coding Skills Development on Data Structures**, organized by the Department of Computer Science and Engineering on **January 9, 2024**, was a highly informative expert session led by **Prof. Vijay Kumar**.

*The session provided valuable insights and practical knowledge to enhance students' coding abilities, focusing on strengthening their foundational skills. This event aimed to ensure participants are well-prepared for future challenges in the tech industry.*

## Some Glimpses Of Expert Session

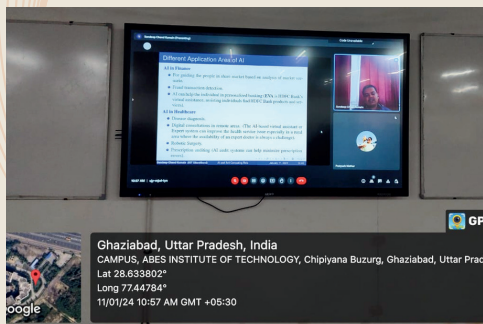

# Expert Session On Role Of Ai And Soft computing In Modern World

*Role of AI and Soft Computing in the Modern World, organized by the Department of Computer Science and Engineering on January 11, 2024, featured an expert session led by Mr. Sandeep Chand Kumain from NIT Uttarakhand.*

*The session offered an in-depth exploration of how AI and soft computing are transforming various industries and shaping the future. This event underscored the critical importance of these technologies in today's world.*

## Some Glimpses Of Expert Session

# Developers' Day

*On April 27, 2024, ABESIT's Rubix Club hosted an engaging session on "Copilot and Generative AI," led by Mr. Lakshit Pant, Program Manager at Microsoft. The session highlighted how these groundbreaking technologies transform software development and enhance productivity.*

*Mr. Pant provided in-depth insights into the capabilities and applications of Copilot and Generative AI, showcasing their potential to redefine workflows and foster creativity in development. Participants gained a comprehensive understanding of how these tools can streamline tasks and boost efficiency.*

## Some Glimpses Of Developers' Day

# Accelchain Workshop

*The Blockchain Hands-On Session, held on June 7, 2024, by the Rubix Club at ABESIT, was a remarkable event led by Parik Ahlawat, Lead Blockchain Engineer at Accelchain. Designed to provide hands-on experience, the session made blockchain concepts accessible through interactive demonstrations and real-world applications.*

*Parik Ahlawat explored blockchain fundamentals, including smart contracts, decentralized networks, and data security, while highlighting its impact on industries like finance, healthcare, and supply chain. Students gained insights into emerging trends and career opportunities in this rapidly growing field.*

*This event showcased the Rubix Club's commitment to fostering innovation and equipping students with essential skills, empowering them to excel in the competitive tech landscape and explore promising careers in blockchain.*

# Aayam Club Structure

1. **Top Leadership:** The structure is led by the Director, followed by the Dean of Student Welfare and the HOD.
2. **Faculty Link:** The Faculty Coordinator bridges the administrative leadership and the student committee.
3. **Student Roles:** Key student roles include President, Vice President, Secretary, Treasurer, Public Relations, and Volunteers.
4. **Organized Workflow:** Responsibilities flow smoothly from top to bottom, ensuring efficient collaboration and execution.

# Events

## Hasye Kavi Sammelan

*The Aayaam Cultural Club hosted the **Hasye Kavi Sammelan** on **December 2, 2023**, providing a lively platform to celebrate the art of humorous poetry. Students from various departments enthusiastically participated, showcasing their wit, creativity, and poetic flair.*

*Amidst rounds of laughter and applause, three standout performers left a lasting impression with their exceptional talent and charm.*

*This event not only celebrated humor but also fostered camaraderie and joy among attendees. It highlighted the importance of cultural initiatives in building a vibrant campus community.*

## Some Glimpses Of Hasye Kavi Sammelan

# Thirak Eleganza

*On April 6, 2024, the Aayaam Cultural Club hosted **Thirak Eleganza**, a spectacular dance extravaganza celebrating the vibrant art of Bollywood and Hollywood performances. The event brought together students from different departments, showcasing their passion and creativity through mesmerizing dance routines.*

*Performances were held across solo, duet, and group categories, each filled with energy, rhythm, and captivating choreography. The event kept the audience engaged and entertained, making it a memorable evening.*

## Some Glimpses Of Thirak Eleganza

# Van Jeevan

*On April 22, 2024, ABES Institute of Technology marked Earth Day with a tree plantation event at the Faculty Residency Park. The initiative was led by Prof. (Dr.) M.K. Jha, Director of ABESIT, and enthusiastically supported by the Aayaam Cultural Club.*

*Faculty members, including Dr. Upasana Pandey, Dr. Subodh Kumar, Dr. Manjul Pratap Singh, and others, actively participated, reinforcing the importance of collective action for a greener planet. Their efforts underscored the need to adopt eco-friendly practices in daily life.*

*During the event, Prof. (Dr.) M.K. Jha delivered an inspiring speech, emphasizing the significance of collaborative efforts to achieve a sustainable future. The event reflected ABESIT's ongoing commitment to environmental stewardship, instilling a sense of responsibility among participants and the wider community.*

# Code-A-Thon 2.0

*In a remarkable display of innovation and coding prowess, Team ID 2324MCSEPID31 excelled at the Code-a-Thon 2.0 (Third-Year Mini Project Competition) held at ABESIT, Ghaziabad, on December 15th - 16th, 2023.*

*The team's project on **Forgery Insight** stood out, earning them the prestigious **2nd prize** and a **cash reward of 7500 INR**. The code-a-thon provided a platform for participants to showcase their skills in tackling forgery challenges, and the Team's success is a testament to their dedication and expertise. Congratulations to the team on this well-deserved achievement!*

## Some Glimpses Of Code-A-Thon 2.0

# Ideathon 2.0

*Ideathon 2.0, held on January 17, 2024, at ABES Institute of Technology, was a dynamic mini-project competition specifically designed for 2nd-year students.*

**<IDEATHON 2.0>**

**Second Year Project Competition**

**17 th January 2024**

*This event challenged participants to present their most **skilled and innovative ideas**. Throughout the competition, students showcased a remarkable display of creativity and technical expertise, with participants from various departments presenting cutting-edge projects. The **Department of Computer Science and Engineering (CSE)** students emerged as the standout participants, earning top honors with impressive projects that captivated the judges. Here are the winners of Ideathon 2.0, a platform that highlighted the institute's innovative spirit and encouraged 2nd-year students to bring their visionary ideas to life*

# Through Teacher's pen

*Whispers of the Soul  
Beyond the noise, in silence deep,  
Where thoughts dissolve and spirits leap.  
A sacred bond, unseen yet near,  
Guides your heart, dispels your fear.  
The universe hums a soothing tune,  
Under the sun, the stars, the moon.  
Seek within, the truth unfolds,  
The light divine, your soul it holds.*

***Prof. Sunita Kumari***

*Rise and Shine  
When shadows fall and doubts arise,  
Look within—there's fire in your eyes.  
Each step you take, though steep or small,  
Is a testament, you can conquer all.*

*Dreams may waver, paths may bend,  
But courage grows when you defend.  
So rise, brave soul, embrace the climb,  
Your destiny awaits; it's your time*

***-Prof. Sakshi Malik***

# Through Teacher's

एक दिल, एक संसार  
हर मुस्कान में, एक डोर बंधे,  
हर आँसू में, प्रेम के सुर छंदे।

जो हाथ पकड़ें, जिनसे जुड़े,  
यह संसार एक ही, सब एक घड़े।

न जात, न धर्म, न दीवारें तोड़े,  
मानवता की भावना सबको जोड़े।

साथ उठे, साथ गाएं,  
एकता में ही शक्ति पाएं।

*Prof. Laxman Singh*

*Dreams take flight in the quiet night.  
A spark of joy, a vibrant hue,  
She paints the world with colors new.*

*With every step, she breaks the mold,  
A fearless spirit, bold and bold.*

*Her dreams are stars in an endless sky,  
Forever soaring, aiming high.*

*Prof. Priyanka Gupta*

# Through Teacher's pen

*In the gentle touch of dawn's embrace,  
Lives woman, a source of grace.*

*With every smile, she sows the seeds,  
Of love and care, fulfilling needs.*

*Her kindness blooms in every heart,  
A masterpiece, a work of art.*

*A mother, a guide, a radiant sun,  
Her journey of love has just begun.*

***Prof. Swati Joshi***

हौसलों की उड़ान

चट्टानों से टकराना सीखा,  
हर मुश्किल से लड़ जाना सीखा।

हवा उल्टी चले तो क्या,  
अपनी राह बनाना सीखा।

सपनों को सच में बदलना है,  
हर पल खुद को संभालना है।

हौसलों की उड़ान भरनी है,  
हर सितारे को छूकर चमकना है।

**Prof. Avdhesh Kr. Tiwari**

# Through Teacher's Pen

## The Power Of Curiosity

*In halls where wisdom gently flows,  
Where every question seeds and grows,  
We gather here with minds set free,  
To shape the world through inquiry.  
Each page we turn, each thought we share,  
A spark ignites, a vision rare.  
For learning is the truest art,  
It builds the mind and shapes the heart.  
Through codes, equations, prose, and rhyme,*

*We reach beyond the bounds of time.  
In every lab and classroom bright,  
Ideas take flight, a boundless light.  
Oh, seekers bold, embrace the flame,  
For knowledge earned is never tame.  
Let passion guide, let courage lead,  
And sow within the future's seed.  
So here we stand, our purpose clear,  
To chase the truth, to persevere.  
For in this journey, vast and grand,  
We hold tomorrow in our hands.*

*Prof. Preeti Goel*

# Through Student's pen

शीर्षक: संबंध और वृक्ष  
 संबंध और वृक्ष  
 काफी समान हैं एक हद तक!  
 विश्वास रूपी धरातल,  
 प्रेम रूपी जल,  
 और सत्य रूपी रौशनी!  
 पोषण करती है इस वृक्ष का  
 पर्याप्त पोषण मिलने पर  
 शिखर छूती हैं वृक्ष की लताएं  
 गहरे होते जाते हैं संबंध  
 कुछ वृक्ष बनते हैं आश्रय के केंद्र  
 अधिकतर वृक्ष उपजाते हैं फल- फूल  
 और वृक्ष की प्रकृति के अनुरूप,  
 फल होते हैं मीठे खट्टे और तीखे!  
 और कुछ वृक्ष तो कट जाते हैं  
 बगैर फूले-फले ही!

~अभिषेक शुक्ल'

*The Spark Within*

*In halls where dreams and knowledge  
blend,*

*New paths we carve, and ideas transcend.*

*With every step, our spirits ignite,*

*Turning shadows to radiant light.*

*Here, the future begins, no end.*

# Through Student's pen

*Stargazing we call it? No  
I call it...  
love of my life,  
sitting on the other side,  
shoulder to cry on,  
Windy ride,  
Soft ashes in snow forests,  
Full of hope and we restless,  
Deeply rooted love From mother to her child,  
A long walk for The thorns of my throat,  
Mistress with all chances of divorce,  
The bit of the shine from the broken star Is it  
still stargazing?  
When broken is only attractive?  
Like scars on my thigh.  
When i  
---Incomplete is better*

*The Corporate Resource Centre plays a significant role throughout the year, maintaining high placement statistics over the years to bridge the gap between Industry and Academia. With adequate training and support, students enhance their skills and understand how to showcase their abilities best. The CRC organizes various training programs to enhance students' skill sets like Mock Interviews, Group Discussions, Communication Skills Workshops, etc. In the current semester (7th Sem.) as of now, approx. 100+ companies approached for placement and 105 students got placed in various companies. Some students even have received multiple placement offers.*

## ALUMNI SUCESS STORIES

# Our Alumni

## Nipun Tyagi

*Cisco (14LPA)*

*Graduated from ABESIT Group of institutions college with B. Tech in Computer Science and Engineering I started my professional journey with CISCO. At my college in addition to*

*state-of-art infrastructure, I was accompanied by experienced, and supportive faculty members who helped me enhance my skills and knowledge. Apart from focusing on curriculum, the college conducts and organizes various events such as workshops, fests, hackathon, etc., that help me personally in holistic development. Also the CSE Department and the training and placement cell helped and guided me throughout my placements.*

## Aditi Tiwari

*Sopra Banking Software (8.5 LPA)*

*It has been a positive and outstanding experience at ABESIT Group of Institutions. The B. Tech. CSE curriculum is carefully designed to give students a comprehensive and enlightening education. We have received training in a variety of abilities, including core programming, which is crucial to landing a job at a reputable company Being affiliated with ABESIT gave me access to the best professors, a beautiful campus, a helpful placement cell, and increased knowledge in my chosen field. The end result of everything, getting placed at 5 reputed companies.*

## Mihir Luthra

*FORTANIX (14 LPA)*

*An exceptional mix of cultural and contemporary pedagogy served by ABESIT Group of Institutions meritorious faculty helped me to accomplish prosperous employment in a thriving enterprise. With the resourceful infrastructure and focus on the well-being of its pupils, ABESIT Group of Institutions has given all a promising prospect to succeed. Also the CSE Department and the training and placement cell helped and guided me throughout my placements.*

# Our Alumni

## Tarun Agarwal

GoComet (15LPA)

*When finding a college for us, we have many questions & confusions. And I am very glad and grateful that I got admission in ABESIT Group of Institutions. Being a student here gave me the opportunity to not just get good academic education from the humble and knowledgeable faculties, but I also learned a lot in various sessions, workshops and events participating through various technical & non-technical clubs. Seniors and alumni are very supportive, and the whole culture aims to bring out my potential. In the end, I got many good packages as well.*

## Abhuydaya Mittal

TCS (7 LPA)

*It was a great experience being a part of ABESIT Group of Institutions. The entire department and faculty are fully dedicated towards the overall development of the students. My journey in ABESIT Group of Institutions has been a wonderful experience of learning along with exposure to the outside world. I was able to get placed in TCS digital because of the opportunities provided by the Training and Placement Cell do the college. I would really appreciate the efforts of all the teachers, placement cell teachers and everyone at the college.*

## Anubhav Sinha

Software Engineer FORTANIX

*I definitely would recommend ABESIT Group of Institutions and would encourage students to study hard and inform themselves as much as possible about the several academic*

*opportunities the institution offers. The college takes the educational mission to heart, here you will find people that will support you and guide you on the path to your degree. With the resourceful infrastructure and focus on the well-being of its pupils, ABESIT Group of Institutions has given all a promising prospect to succeed. Also the CSE Department and the training and placement cell helped and guided me throughout my placements.*
